### D Egg Dealers and Handlers – For information about egg dealer/handler requirements visit [bls.dor.wa.gov/eggdealer.aspx](http://bls.dor.wa.gov/eggdealer.aspx)

Does your operation have fewer than 3,000 laying chickens, or only produces eggs and/or egg products from turkeys, ducks, geese, guineas, or fowl other than domestic chickens?  Yes  No

If you selected "No" above, check the box below that applies.

I understand that it is my responsibility to ensure, and I have determined, that either no eggs come from **facilities built before January 1, 2012**, or all eggs and egg products provided in intrastate commerce that are produced by commercial egg layer operations built before January 1, 2012, have current certification under the 2010 version of the United Egg Producers (UEP) animal husbandry guidelines, a subsequent version of the UEP guidelines, or an equivalent version. Additionally, if eggs come from these facilities, I certify that I understand and meet the applicable standards of all the requirements of RCW 69.25.065.

*Note: An equivalent version may include American Humane Association (AHA) facility system plan and audit protocol for enriched colony housing.*

Name the equivalent version (if applicable): \_\_\_\_\_

I understand that it is my responsibility to ensure, and I have determined, that either no eggs come from **facilities built on or after January 1, 2012**, or all eggs and egg products provided in intrastate commerce that are produced by commercial egg layer operations built on or after January 1, 2012, are approved under American Humane Association (AHA) facility system plan and audit protocol for enriched colony housing in effect on January 1, 2011, or a subsequent version of the AHA. Additionally, if eggs come from these facilities, I certify that I understand and meet the applicable standards of all the requirements of RCW 69.25.065.
