Additional Information:

If you checked any of the boxes in question 4 or 10, in Section B of the addendum, please call the Spokane Fire Department at (509) 625-7041 to schedule a safety evaluation. Please be aware that the safety evaluation may discover related activities that could require additional Building or Fire Department permits and fees. The City of Spokane is available to help your business succeed and reduce your risk of a fire while avoiding citations, fines and possible business closure for non-compliance with Spokane's Municipal Codes. Thank you for helping make Spokane a safer place to live and work!

A Few Basic Fire Safety Requirements for New Businesses:

- Provide address numbers/letters that are readily visible from the street. For each building the address must be posted with numbers/letters at least 4" in height placed on a contrasting background (IFC 505). Office tenant spaces require identification also.
- Keep combustible storage to a minimum and away from electrical panels and any heat producing devices. Combustible storage shall not be stored in exits, exit enclosures, boiler rooms, mechanical rooms or electrical rooms (IFC 304, 305, 315).
- Storage shall not encroach within 2' of the ceiling in non-fire-sprinklered areas of buildings and a minimum of 18" below sprinkler deflectors in fire-sprinklered areas of buildings (IFC 315.3.1).
- Extension cords shall be maintained in good condition and shall not be used in place of permanent wiring or extend through ceilings, doorways, walls, floors, etc. (IFC 605.5)

Other Business Activities:

You must contact the City of Spokane Department of Taxes & Licenses at (509) 625-6070 directly for additional licensing, fees or taxes if your business involves any of the following activities:

- Entertainment, concerts or carnivals
- Collection of admission
- Amusement games
- Gambling
- For Hire Vehicles or For Hire Vehicle Operator
- Utility business, occupation or activity
